Newark Memorial Day Parade

Information & Funding Brochure

*Remembering
those
That have fought
and sacrificed
for our freedom
and honoring
those that
continue to fight
to defend our
nation.*

The Newark Memorial Day Parade is an annual event that is held the third Sunday in May. During the event, veterans of wars from all branches of the services have continued to march in the parade.

To start to the day, a ceremony honoring our nation's veterans is held on the University of Delaware's Campus Green at Memorial Hall. Local and military bands and drill teams participate in the State Memorial Ceremony followed by the wreath laying at the Academy Building and the parade on Main Street..

This year, a new silent march down Delaware Avenue will take place in remembrance of those that gave the ultimate sacrifice for their country.

Each year, the costs associated with transporting parade groups, providing a courtesy reception for participants, and other related costs have increased. Therefore, an effort is underway to establish a continuing source of income to offset parade costs. These costs can total more than \$11,000 annually.

To achieve this goal, the parade committee and other interested parties are working together to receive pledges from at least one hundred individuals, businesses, or organizations in the amount of \$20.00 or more, for a total of approximately \$2,000.00. This funding is vital to the continued success of the parade and ensuring quality programs in years to come.

A contribution form is included below explaining how to make your contribution.

We hope to receive your contribution soon and look forward to many successful parades in the future.

Sincerely,
The Newark Memorial Day Parade Committee
