INTRODUCTION

This pamphlet is designed to introduce you to the wide range of benefits available to those who have served their country and to their dependents. Only the highlights of the various programs administered by the State of Delaware are covered by this pamphlet. The information is not regulatory and should not be interpreted as such. The benefits are available without discrimination on the basis of race, color, national origin, sex, handicap, or religion. We urge you to take full advantage of the benefits to which you are entitled.

SERVICES TO DELAWARE VETERANS

Why is it necessary for agencies outside the federal government to do service work for veterans? The laws under which the VA operates restrict it from developing, prosecuting or presenting claims against itself. The VA is likewise restricted from procuring such needed evidence as marriage certificates, divorce decrees, affidavits, birth certificates, and will proceed to adjudicate claims in the absence of such evidence. It is necessary for the veteran to furnish all required evidence. The Delaware Commission of Veterans Affairs (DCVA) located in Dover, Delaware provides assistance in obtaining notarized documentation such as Birth, Death or Marriage Certificates in addition to information on acquiring DD Form 214 and other records of active service. Commission Veteran Service Officers located in New Castle, Kent and Sussex Counties will advise and assist you in preparing applications for VA benefits.

MOBILE SERVICE CENTER (OUTREACH)

In Sussex County, the Commission operates a Mobile Service Center that provides all Commission services to County veterans and their dependents. For scheduled services, contact the Veteran Service Officer located at the Pyle State Service Center at (302) 732-9560.

VETERANS OUTREACH SERVICES

Listening Post – Lower Delaware (LP Lo-Del), a Delaware Commission of Veterans Affairs contracted service, established in 1989, offers a wide range of services for veterans of all wars who live in Southern New Castle County Kent and Sussex Counties. Services range from employment counseling, introducing and explaining veterans benefits, drug and alcohol counseling, family and individual counseling and transportation to medical facilities in the region. The outreach program coordinator helps connect veterans with a support group operated by People's Place Counseling Center in Milford. For further information call (302) 424-1682 or (302) 422-8026.

“THE CENTURION” (NEWSLETTER)

The Delaware Commission of Veterans Affairs publishes a quarterly newsletter, *“The Centurion”*. Copies of the newsletter are provided at no charge to veterans and their dependents. If you would like to be included on our mailing list, please contact the Commission Office at (800) 344-9900 or (302) 739-2792.

CERTIFICATE OF APPRECIATION

The Governor has announced that the State of Delaware will provide a “Certificate of Appreciation” to all Delaware veterans who have served honorably in the Armed Forces of the United States during time of peace, conflict or war. To request a “Certificate of Appreciation” application, the veteran or family member may contact the Delaware Commission of Veterans Affairs at (800) 344-9900 or (302) 739-2792.
